

Mobile App

Districts that use the Frontline Insights Platform also gain access to the Frontline Education mobile app! The app provides increased accessibility to absence approval and other absence tracking tools.

REQUIREMENTS

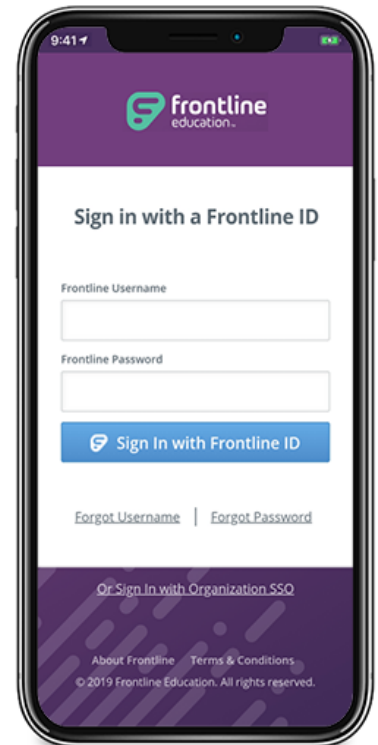

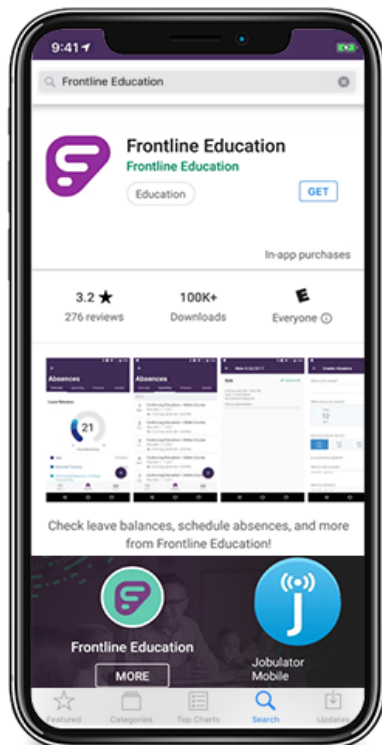

Your district must utilize the Frontline Insights Platform to access the app.

GETTING STARTED

Go to your device's App/Play store or use the following QR code to download the Frontline Education app.

Apple Device	Android Device
	

Once the download is complete, press **Get Started** to proceed to a sign in page. From there, enter your Frontline ID account or use SSO and sign in. *Once signed in, you may be prompted to select an org.

HOMEPAGE

The homepage displays information applicable to your permission setup. Potential in-app features include pending approvals, unfilled absences, and a count of filled absences for the current and/or upcoming day. Select a particular timeframe (Yesterday, Today, and/or Tomorrow) to review your district’s absence requirements and reference the purple graph to review absence details. Select **Approvals** (to review absences pending approval), **Absences Today** (to identify which of your district absences are filled, unfilled, and do not require substitutes), or **People** (to email or call an individual from your contacts list).

MENU/SIDE NAVIGATION

The “Menu” option opens a side navigation bar where you can access current tools and settings.
